

Trio Of Pahokee Business Men Offer For Seats On Council In Election May 7

In this issue we are carrying the political announcements of three of Pahokee's outstanding and successful business men who are offering their services to the City of Pahokee as councilmen. These men are Frank Shaughnessy, Don Hillier and Marshall Lair.

Chosen at a city-wide public meeting held several weeks ago the trio, after much persuasion, decided to offer for places on the council. They are pledged to a progressive administration if elected and have been outspoken in their determination to see that Pahokee takes its rightful place among progressive and outstanding cities in South Florida.

Each of the candidates has pledged himself to a program that will bring Pahokee out of the doldrums into which it was lulled by the excuse that "there is a war on." Dozens and dozens of folks who attended the public meetings at which these three men were asked to run for councilmen, are hopeful that a complete and thorough street program will be worked out for Pahokee.

The three candidates are well and favorably known in Pahokee and community. Mr. Shaughnessy, running in group one, has been in Pahokee since 1938 and is owner of Glades Equipment company. He had visited Pahokee regularly since 1924. Mr. Hillier, running in group two, came to Pahokee in 1935. He is a contractor and his firm is known as Don Hillier and Son. Marshall Lair, running in group three, came to Pahokee in 1921. He has been associated with the Bank of Pahokee and now owns and operates the Western Auto Associate Store.

No Opposition For Lucky Lake Lytal; Byrd Has Opponent

County Commissioner Lake Lytal of West Palm Beach breathed a sigh of relief at 12 noon today when the qualification deadline passed with no opposition appearing for him in his race for reelection. Commissioner C. Y. "Check" Byrd of Delray Beach was not so lucky, for during the final hours for qualification he drew an opponent—Robert Lawson, a builder who lives in Delray Beach. This reporter is not acquainted with Mr. Lawson but will bring readers some background history on him at a later date.

Mr. Lytal is completing his second two-year term on the board and has made an enviable record as a hard-working member. He led the fight for redistricting the county into new commissioners' districts and at no time since passage of Amendment No. 8, calling for the redistricting, did Mr. Lytal give up the fight until the job was thoroughly completed. His automatic re-election this year gives him a four year term.

Mr. Byrd has been a member of the board since 1932. He announced his intention of seeking reelection a week ago last Monday and said that his campaign would be centered around his long service record. His outstanding promise to the voters was one that he had fulfilled year in and year out as a member of the board—that of handling the county's business in a conservative manner.

Commission Chairman John Prince of Lake Worth was elected for a four-year term two years ago, as were Paul Rardin from Canal Point and A. A. "Barney" Poston of Lake Park.

Pete Harrison Has Enforcement Role

State Beverage Commissioner James T. Vocelle spent Tuesday in West Palm Beach, accompanied by Judge John P. Mack, attorney for the department and F. R. (Pete) Harrison, chief enforcement officer.

Mr. Harrison was formerly Pahokee police chief; served as constable there and also as deputy sheriff. For the past several years he has been State parole supervisor with headquarters at Orlando. This was his first visit to the county in his new capacity. —Palm Beach Times.

Highway Patrol Radio Station Is Moved To Pahokee

The Florida Highway Patrol radio station, formerly located at Belle Glade, has been moved to Pahokee and erected. The antenna is on the water tank and temporary headquarters are being maintained in a small building at the rear of the Davis Cafe. Miss Betty Lou Pickett and Mrs. Betty (Gant) Sullenger are the operators.

State radio engineers said the reason for moving the station to Pahokee was that better reception could be had from this point. Operators had picked up Ocala soon after the station was set on the air. In the former location it had been impossible to contact Ocala satisfactorily.

All of the fire trucks of the Everglades Fire Control district are equipped with radio and Fire Chief Guy Bender said this week that he would continue to operate through the Pahokee station. Chief Bender said that he would cooperate fully with the station in its new location.

The station is WSYU. All patrol cars are equipped with radio.

J. Louie Carter To Be Renamed Clerk Sans Opposition

J. Louie Carter, serving his third term as clerk of the criminal court of record, this week announced his candidacy for re-election. Mr. Carter will be re-elected in May primaries without opposition, the deadline for candidates having passed at noon today with no one filing against him.

Commenting on his re-election Mr. Carter said: "I have endeavored to use the experience, training and knowledge received in this office to give the people of Palm Beach County a first class administration of the affairs of this office."

"I shall continue this policy to render services efficiently, courteously and economically, to the best of my ability."

Elected in June, 1934, receiving a majority of votes in every precinct in the county and the highest number of votes in the election, Mr. Carter was the youngest candidate to be elected to a major courthouse office, being 28 years old at the time.

Winning re-election in 1938 by a majority of votes in every precinct, he was nominated without opposition in 1942. He is this year completing 12 years of service as clerk of criminal and county courts.

English Bride Joins Husband In Canal Pt.

Mrs. Diamond Harold Carlisle arrived in Canal Point Wednesday evening after a voyage from England on the Queen Mary, arriving in New York on Monday afternoon of this week. Mrs. Carlisle's home is in Horn Church, England. She met Harold during the war when he was stationed in England.

Poston Is Running Good Race For Seat On R R Commission

The following editorial from the Palm Beach Post will be of interest to every person in Palm Beach County who hopes for the election of a Palm Beach county man to membership on the State Railroad Commission. A. A. Poston, member of the board of county commissioners from Lake Park, is waging a determined campaign to secure a seat on this important body. His campaign is attracting state-wide attention and each day he is securing new pledges of support. Believing that every person in the Glades is interested in this state-wide race, we herewith reprint an editorial from the Post on Tuesday of this week:

RUNNING A GOOD RACE
Palm Beach County candidates haven't had much luck running for State offices in the past but it looks as if we might have a winner this year.

From all sections of Florida are coming favorable reports regarding the chances of A. A. Poston of Lake Park for winning the Democratic nomination for a place on the State Railroad Commission.

Mr. Poston has a good many factors in his favor. His loyalty to the Democratic Party has never been questioned. He has a wide acquaintance throughout the State, especially among county officials and State employees. In 14 years as a member of the Palm Beach County Commission he has established a State-wide reputation for sound judgement and ability to get things done. During much of that time he has served as chairman and secretary of the Florida County Commissioners Association, an organization of great power and prestige.

While ever loyal to his own county Mr. Poston has always avoided sectionalism. A native of Duval County, he has spent much of his life in this area and has the welfare of all Florida at heart.

If a shrewd mind, the courage of his convictions and a sincere desire to serve the public are desirable qualifications in a railroad commissioner, the Palm Beach County candidate should be well-fitted. As a county commissioner, Mr. Poston has demonstrated these qualities time and time again.

Among the seven candidates, seeking this nomination he is outstanding from every standpoint. There can be no denial that South Florida deserves representation on the railroad commission. Its membership has been confined to North Florida for many years. "Barney" Poston appears to be the best bet for getting it.

PRACTICE PLAYLET

The First Baptist Girls Auxiliary met at the home of Mrs. Ralph Grimes Friday afternoon to practice on a pantomime, "We've a Story to Tell to the Nation," which the group will present the last part of this month, a definite date to be announced.

Salvatore And Taylor Named As Glades Members School Board; No Opposition

Piling Going Down For Precooling Plant

Workmen are busy this week driving piling for a new two-story pre-cooling plant for the firm of Jones Brothers, Canal Point growers. The plant will be located on a lot just south of Delmar Hooks store on Lake Front Road.

The plant will be 62x90 with the first story of concrete block construction and the second story of metal. There will be 390 piling under the plant, workmen said. A loading tunnel 600 feet long will be erected alongside the FEC tracks.

17 New Members Join Legion Post No. 90 In Pahokee

Seventeen new members were welcomed by Fred and Percy Mansfield Post 90 at a meeting in the city hall Monday night with a predominance of World War II veteran members in attendance.

The post passed a resolution pledging its full support of the Community Chest now being organized by civic groups. Melvyn Pugh gave a report on the civic committee being organized to assist veterans in securing jobs and homes in the Pahokee-Canal Point area. Carmen Salvatore was appointed to represent the post on this committee.

It was announced that the Legion plans to sponsor various sports in this area and the post will organize a baseball team. The Americanism committee will be in charge of the sports program. Carmen Salvatore outlined the needs of the committee and asked for financial assistance in the purchase of baseball uniforms. Post Commander J. S. Chastain named Abe Dobrow, George Mead, Slater Brewton, Loe Lence and L. V. McClelland on a committee to nominate officers for the post election to be held at the city hall on Monday night, April 1.

Building Permit To Be Issued For County TB Hospital

The County Commission is now free of any threat of an appeal from the recent circuit court order permitting it to build a tuberculosis hospital at the County Home site.

After Commissioners W. H. Hitt and George McCampbell had said that the delay caused by legal action should not be prolonged following the court's decision, it was voted to instruct the building inspector to issue a permit for the hospital.

On motion of Commissioner E. Tinsley Halter, the city attorney was authorized to ask for a rehearing on the single point as to whether or not the court's order was meant to exclude the entire County Home site from the city limits.—Palm Beach Post.

BUYS PROPERTY

Mayor O. B. McClure of Pahokee has purchased 20 acres of land in Sec. 18 from J. F. Hudson estate. The land is located across Bacom Point road from the home of Mr. and Mrs. Earl Meredith.

Miss Eleanor Chastain, student at Shorter College in Rome, Ga., is at home to spend spring holidays with her parents, Mr. and Mrs. Stanton Chastain.

Mayor George A. Taylor of Belle Glade was named a member of the county school board today when the 12 o'clock noon deadline passed with no one filing against him in District No. 4. The district was recently created by the board and Mr. Taylor consented to run after he received pledges of cooperation from many people in the new district comprised of Belle Glade, Lake Harbor, South Bay and Brown's Farm.

In the Pahokee, Canal Point and Chosen District No. 1, Carmen Salvatore was automatically reelected when no opposition appeared for him. Salvatore was instrumental in redistricting the county and creating the new Glades district. During the years he has served on the board he has left no stone unturned to better school conditions in the county.

J. C. Engram of Lake Worth has filed his candidacy for reelection and will be opposed by Mrs. Lauren Hand of Delray Beach. Mr. Engram has represented Dist. No. 3 for many years. George Slaton in Dist. No. 2 was not required to run for reelection this year.

In the newly created District No. 5 Ralph Kettler had the field all to himself for many weeks but during the final days before the filing deadline there appeared plenty of opposition. On Wednesday of this week Jack Sutor and Pat Knight filed in the same race. Sutor is a long-time resident of the county and for five years was a teacher in Palm Beach area. Carmen Salvatore was appointed to take a position with Pat Knight is a druggist at North Dixie in West Palm Beach and is known to many folks in the Glades, he having filled in for John Bolton several summers while John was on vacation.

Atty Whidden Wins Two Cases Before Fla. Supreme Court

Attorney Thadd Whidden of Pahokee was notified this week by the secretary of the State Supreme Court that decisions had been handed down in two cases which were favorable to his clients. One of interest to Pahokee taxpayers was the case wherein the City of Pahokee had tried unsuccessfully for years to collect taxes from J. R. Poland, former large property holder in Pahokee.

Mr. Whidden, Pahokee City Attorney, was notified that the supreme court upheld Circuit Judge Jos. S. White in refusing to set aside an assessment made by the City of Pahokee against property owned by J. R. Poland. It was first in 1938 that the City of Pahokee and Mr. Poland disagreed over assessments. He maintained that higher valuations were placed on his property than on similar property in the same vicinity.

Associated with Mr. Whidden in the Poland case was the law firm of Alley, Drew, Burns and Middleton of West Palm Beach.

The other was the case of Darrell Smith versus Frank Brewer, G. H. Heath, A. W. Landers, et al. A favorable decision was handed down in this case on Tuesday of this week, according to notice received by Attorney Whidden from the secretary of the high court.

Clarence Padgett of Canal Point, a student at Georgia Military College at Milledgeville, Ga., is making an excellent record. In the month of February he made a straight A's. He is spending the spring holidays with a class mate, Ed Mercer, in Albany, Ga.

Courtesy Course

We are glad to see that the ACL is sending some of its employes back to school, not for "readin', ritin' and 'rith-metic" but rather to learn something about efficiency and courtesy. We had about come to the conclusion as a result of the little traveling we have done during the last few years that the helpful pullman car porter and the smiling dining car waiter were definitely of a bygone era. But while we are on the subject of courtesy that is something which could be taught with profit by virtually all business organizations.—Sanford Herald.

Over-Zealous

We didn't hear it, but from reports we've received, the army in its drive to sign up recruits is getting over-zealous in radio programs.

In one of them, at least. For on this program they told a doleful tale about some returning soldiers. GI No. 1 came back to his old job and found they wouldn't give him a break. They cut his pay. GI No. 2 came back and found that his girl who'd promised to wait had married his old friend. GI No. 3 came back and found that his old sidekick who stayed out of service had made lots of dough and wouldn't have any truck with him any more.

Now, there may be some isolated cases like this, but it certainly isn't the general rule. The army has plenty of sound reasons to ask men to sign up, but it shouldn't try to smear John Q. Citizen.—Pensacola News-Herald.

Killed When Car Strikes A Tree

Lloyd Clifton Lightsey, 22, Okeechobee, war veteran and son of V. E. Lightsey, chairman of the Okeechobee county school board, was fatally injured in an automobile accident Sunday between Belle Glade and Pahokee and two other men, Carlisle Thomas, 26, and William N. Stratton, 30, both also

of Okeechobee, were in Fort Pierce Memorial hospital Monday from injuries received in the accident. Their condition was not serious.

His car left the road and hit a tree. Lightsey had been discharged only last December after four and a half year's service in the Navy, including the battle of the Philippines, Luzon, Iwo Jima and Okinawa.

128 Attend Men's Bible Class Sunday

Just why is The Pahokee Men's Bible Class enjoying the large membership of 128 as reported last Sunday by the secretary, C. A. Batchelor? Why has the average attendance increased to 75, with 84 present last Sunday? In the opinion of the teacher, Rev. C. A. Moberg, it is because in Pahokee there exists a group of men who have come to the realization that the Sunday School is the answer to the many problems confronting mankind today. Citizens of this community love this city and are tuned to the fact that by putting first things first, in this way only can this area prosper not only in the temporal things but also in the eternal. Hence, it is the aim of this class to reach every inhabitant to this end. An enrollment of at least 200 is the goal.

All men not attending Sunday School elsewhere are urged to attend this class if not otherwise interested. The singing of so large a group under the enthusiastic leadership of Rep Cowart is an inspiration in itself. The three numbers presented by the Class Quarter, Messrs. Wood, Butler, Spooner, Cowart and Grimes (alternate) is something worth getting out of bed on a Sunday morning for, for it does give that lift all need. The genial president Lawrence Jaudon is always on hand to permeate the atmosphere with leadership of the cheerful note. Messrs. Holman and Watson know how to greet at the door. The special series of teachings on "The Children of Israel" past, present, and future, is being received with much favor. This Sunday the teacher will discuss the rebuilding of the temple in Jerusalem which was destroyed in A. D. 70. All service men, in or out of uniform, visitors and those unattached are most cordially invited to attend. Lions building at 9:45.

Eastern Star Order Confers Degree

A degree of the Order of Eastern Star was conferred on Mrs. Earl Meredith at a meeting of the Pahokee OES Chapter in the Masonic Temple Thursday night of last week.

Mrs. Dorothy Graham, grand instructor of District 18, presented a program honoring past matrons and past patrons. Others taking part were Mrs. Esther LeFils, Mrs. Etta Mae Friend, Mrs. Iva Snyder and Mrs. Ruth Carpenter.

The group voted to secure a dispensation from the regular chapter meeting of April 10 in order officers and members will be able to attend the meeting of the Grand Chapter which will be held on that date.

Out-of-town visitors included Mr. and Mrs. C. Clawson of Lake Worth, Mr. and Mrs. Charles Maynard, Mrs. Mabel Lutz, Mrs. Ruby Bailey, Mrs. Bess Lyons and Mrs. Morris of Belle Glade. Following the meeting refreshments were served by Mrs. Grace Rosenberg, Mrs. Gladys Harrington and Mrs. F. M. Wilson, hostesses.

Dr. H. W. Blackburn Is Lions Speaker

Dr. Henry W. Blackburn, superintendent of the Methodist Church Miami District who is conducting a series of revival services at the Canal Point Methodist Church, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Rev. Oliver Hatfield, the speaker gave a talk on "Unearned Values."

Rupert Mock announced that he was calling a special meeting this week to complete the information bureau for the Pahokee-Canal Point area. Mr. Mock was recently appointed chairman of the new committee.

The question was raised as to whether the Lions would sponsor again this spring a three-act play, as has been the custom in the past. This matter was referred to Malcolm Millar and his entertainment committee.

Cinematic Chatter

By Malcolm Miller

The Sunday-Monday picture is "A Thousand and One Nights," with Cornel Wilde and Evelyn Keyes as the stars.

Tuesday-Wednesday brings "Man Alive," with Pat O'Brien and Ellen Drew in the starring roles and surrounded by an excellent cast of featured players.

On the same program comes "Swing in the Saddle" with David McENERY and Jane Frazee as stars. This is a Western story with a real musical setting . . . even to the dancing cow gals and the cowboy band.

Thursday-Friday brings Alice Payne's hubby, Phil Harris with Leslie Brooks as his leading lady in a piece under the title "I Love a Bandleader", which happens to be a comedy set to music.

On the same program comes another spine tingler under the title "The Missing Corpse." This story came out in one of those "two-bit" mystery books . . . and it was a darn good story. Stars of this piece are J. Edward Bromberg and Frank Jenks.

Saturday brings an up and coming Western star . . . Jimmy Wakely, with Dennis Moore as his partner in a piece under the title "Song of the Range." This piece

is a very enjoyable show and is loaded with action.
See you at the movies—Mal.

Shirley Circle Hears Mrs. Cunningham

Mrs. D. W. Cunningham presented a program on "World Order and Peace" at a meeting of the Gertrude Shirley Circle, Pahokee Methodist WSCS, at the home of Mrs. H. T. Williams Monday night. She was assisted by Mrs. Sara Thomas and Mrs. Sue Shirley. Mrs. Lloyd Hundley led the devotionals and Mrs. H. C. Graham presided at the business.

Mrs. Clyde Alley was welcomed as a new member of the circle. Named on the church flower committee for April were Mrs. Lula Pope, Mrs. Christine Elliott, Mrs. D. D. Caudill, Mrs. Frank Rozelle, Mrs. Lloyd Hundley, Mrs. L. L. Shirley, Mrs. Jack Spencer and Mrs. M. J. Keen.

At the conclusion of the meeting refreshments were served by Mrs. Williams and Mrs. Frank Rozelle, co-hostess. Mrs. Stanley Elmore was a visitor.

Joseph Parker of Canal Point was conferred the first degree of the Masonic Order at a meeting of Everglades Lodge 211, P.&AM, at a meeting in the Masonic Temple, Pahokee, Tuesday night.

Freeholders Kill Bond Issue Thru No Voting Plan

Registered freeholders in Palm Beach county defeated the \$850,000 county park and beach bond issue by staying away from the polls Tuesday. Only 3,892 of the 17,941 registered freeholders in the county decided to cast a vote on the issue of purchasing 213 acres on Singer's Island.

Under regulations governing the election, one half of the registered property owners were required to participate in the election to make it a bona fide bond election. Out of this fifty per cent a majority had to vote in favor of the proposition to put the bond issue across.

Voting in the Glades was as follows:

	For	Against
Canal Point	15	12
Pahokee	55	22
Belle Glade	52	18
Lake Harbor	9	11
Chosen	9	2
Brown's Farm	1	1
	141	66

St. Patrick Party Is BPW Club Program

It was hats off to the Irish at the St. Patrick Day's party held by members of the Everglades Business and Professional Woman's Club at the home of Cleo Douthit Tuesday night. The emerald green motif was carried out in decorations, and refreshments and Irish games and contests were played.

Barbara McNamara gave a brief biography of St. Patrick and Tommie Lee DuBose outlined his musical career. Wanna Bacon conducted a musical contest of Irish songs followed by the cracking of several Pat and Mike jokes. Miss McNamara and Phara Mock were awarded contest prizes.

At a brief business session it was announced that the contract for the construction of barbecue pits at the city recreation park had been let to Don Hillier and Sons, local contractor. This project is under the joint sponsorship of the Business and Professional Woman's Club and the Woman's Club.

Becky Starling, president, named Cleo Douthit, chairman, Phara Mock and Alma Farrow on a committee to nominate officers for the club election to be held on Tuesday, April 2.

Cross Over Africa Is Circle Theme

The spring mission study, "Cross Over Africa," scheduled to be conducted by the Simonson-Lair Circle, Pahokee WSCS, on Thursday of this week has been postponed until Thursday of next week. It was announced that the study contest between the Simonson-Lair and Gertrude Shirley Circles will be judged in the following manner: Two points for attendance of active members, five for attendance of delinquent members, three for novel presentation of subject, three for ordinary procedure and one for promptness. Members arriving late at these study sessions will be fined.

Dr. Simmons Back In Belle Glade Office

Dr. S. J. Simmons, for three years and eight months in service as a commander with the Naval medical corps, has returned to Belle Glade and reopened his medical offices.

During the war, Dr. Simmons, served both in the States and aboard mine sweepers and other vessels, off the Virginia Capes and in the Pacific, in hospital and inspection work. Mrs. Simmons, their son, Sam, Jr., and daughter, Yvonne, accompanied the doctor to Belle Glade.

Elliott Explains Investigation On Ramie Production

Mr. Paul Rardin
Editor, Everglades News
Canal Point, Florida
Dear Paul:

Some few weeks ago I made a statement to you to the effect that I was opposed to the State of Florida not only farming but operating any business that furnished direct competition to those who pay taxes in Florida.

I am in receipt of a clipping from the Florida Clipping Service, Tampa, Florida which prints the following in large type "MAYO DENIES STATE PLANNING TO COMPETE IN RAMIE GROWING." Since I have been approached by so many farmers throughout this section regarding the state entering into farming, most of them referring to Ramie, I felt it my duty as State Representative from Palm Beach County to thoroughly investigate the matter, so I called on the Newport Industries, Inc., a firm which was established in 1913 with a Ramie plant recently located near Pahokee. Below are some of the things I found:

At the present time they have 1,000 acres in cultivation with 400 acres to be planted this spring. The present plant referred to will handle 1,500 acres of Ramie and the plant will be increased to handle 3,000 acres. In 1947 this company will plant 1,500 acres, in 1948 their program calls for 5,000 acres, in 1949 another 5,000 acres. The cost of this plant at the present \$350,000. The Newport Industries has spent \$200,000.00 in planting and research and their plans are to increase the present plant to double their capacity with an additional cost of \$150,000. I find for maintenance at the Pahokee plant for a period of two years an average of \$3,000.00 per month.

Now when the Ramie question came up the newspapers stated the State Prison farm would plant 1,500 acres for experimental purpose, so I asked Mr. Dempsey of the Newport Industries if Ramie was in an experimental state as to growth. His reply was, "Why certainly not, we know we can

grow Ramie". I also asked him if he wanted information as to the growth of Ramie and possible plant disease that he was not able to get from his own experimental set-up and where would he obtain such information. His reply was "from the Everglades Experimental Station." I asked him if he thought the Everglades Experimental Station should handle all experiments on Ramie, his reply was, he certainly did, "that he had used them and found them to be very helpful." I asked Mr. Dempsey the cost of Ramie per acre to his plant and his reply was \$110.00 per acre.

I also called Dr. Allison of the Experimental Station and asked the following questions: If he was in position to experiment on Ramie as to growth, he answered he was. I asked him how much land was connected with the station and he replied 800 acres. I asked him if there was anything he needed at the present time. He said, "He needed office space and laboratory expansion". Dr. Allison stated that he would go to Ramie farms for experimental purposes, he also stated he would send his men to the Newport Industries when they were called on. He told me he had men from some of the best Universities in the Country. I also asked Dr. Allison how many acres of land would he need for experimental purpose of Ramie and he replied five or ten acres. Therefore, I maintain that if the Experimental Station can operate and experiment on the growth of Ramie on a piece of land five or ten acres it most certainly is not necessary for the State of Florida to enter into growth of this product through another Department.

I have given you the above information from the Everglades Experimental Station due to the fact that many people have asked me if it were not possible for them to handle the experiment and too, many of them refer to the amount of money that was appropriated by the State Legislature to increase the facilities of our State Experimental Station.

I am thoroughly convinced that the above named station is capable and willing to perform their duty which would be expected by the farmers in this area and I want it definitely understood that the references to the Everglades Experi-

mental Station and Dr. Allison were made in a very friendly spirit and in conclusion permit me to state that it is my honest belief that anything grown by the State of Florida whether they eat it, sell it, or give it away is direct competition to the farmer.

Very truly yours,
B. Elliott
State Representative,
Palm Beach County.

Community Chest Plans Are Pushed

Representatives of civic organizations met at the home of Abe Dobrow Tuesday night to continue the formation of a Community Chest for the Pahokee-Canal Point area.

Attorney Archie Harris explained incorporation procedure and recommended a simple charter regulated by suitable by-laws. Articles of incorporation drawn up were signed by Roy Vandegrift, F. M. Shaughnessy, Loel Lence, O. B. McClure, Rupert Mock, Abe Dobrow and Mrs. J. R. York. The charter will become effective as soon as it is approved by the County Judge.

The group decided to operate with a temporary board of directors of not less than 12 members including seven representatives of civic organizations two members at large and an indefinite number of officers of the Community Chest. Elected on the board of directors were Loel Lence, American Legion representative; Alma Farrow, Business and Professional Woman's Club; Mayor O. B. McClure, city of Pahokee; Roy Vandegrift, Elks Lodge; Rupert Mock, Lions Club; W. P. Jernigan, Rotary Club; Kate Cross, Woman's Club; Albert Fremd and H. M. McIntosh, members at large; Abe Dobrow, F. M. Shaughnessy and Mrs. J. R. York. The next meeting of the group will be a call meeting to be announced by President Dobrow.

Mr. and Mrs. Love Kimbrough have returned to their home in Richland, Ga., after spending a week as guests of Mr. and Mrs. G. L. Sims in Canal Point and Mr. and Mrs. Dave Alston in Clewiston.

THIS IS "SIGHT-CONSERVATION" WEEK!

Be
SIGHT-WISE!

PROTECT YOUR EYESIGHT
and MAKE LIFE SEEM

Brighter!

Better Home Lighting For Easier Seeing!

Spare your eyes the unhealthy strain of incorrect lighting; and spare your home and family the hazard of dimly-lit stairs and corridors. Have your lighting checked during the week of March 17-23, officially designated as "Sight-Conservation Week" by Governor Millard Caldwell.

FLORIDA POWER & LIGHT COMPANY

Breezy

Guess somebody took a shot of Aunt Minnie's Enlargement Oil. It is being whispered around town, in a loud voice, that some Council candidates are about to announce. Understand they contacted what is left of the Seminoles but they were not interested.

RECENT FLOPERATIONS . . .

Dear Elmer Jones . . . Hi Elmer . . .
Dear Robert Mackey . . . Please mail road map showing the way to your melon patch . . . Dear Albert & Crew . . . Go catch a burglar . . . Dear Orin & Mike . . . Maybe the coveboys hold the building together . . . Dear Waterboy Douthit . . . You have everyone's sympathy . . . Dear Paul Rardin, editor, reformer, informer and Commissioner, Glad you stopped using that heavy type on the front page . . . made the paper look like it weighed five pounds . . .

You'll hear anything from now on Melvin Pugh started the Salerno season off. We do not remember how many wash tubs full, anyway they don't make scales big enough. Wait until the Mocks . . . the Wrotens . . . the Friends . . . Roy Segree . . . Bill Jones . . . Thadd Whidden and some of the rest of them start establishing their beach-heads over there. Some of those fellows will really have to start paying the preacher.

We now have another committee, this one to study lighting conditions. What we really need is a committee to study what all of these studying committees are studying. Shirley informs the

council that he is taking a powder—the council informs him he ain't . . . Time marches on.

Building Lots Are Sought For Vets

A committee to assist veterans in securing lots and homes in the Pahokee-Canal Point area was organized at a meeting of representatives of various civic organizations in the Veterans Service office in the city hall Tuesday night. The purpose of the committee will be, first, to obtain suitable home building sites for veterans of this area at the lowest possible cost to veterans and then to assist in negotiating loans and other services necessary to the actual building of the homes.

John A. Dulany, Rotary Club representative, was elected chairman of the new organization which has tentatively been named Veterans Lots and Homes Joint Civic Committee. L. V. McClelland, representing the Veterans Service committee, acted as secretary. Other members include Carmen Salvatore, American Legion representative; C. A. Batchelor, Lions Club; Mayor O. B. McClure, city of Pahokee; W. A. Keen, City Council; Claude Jones, Veterans Service office and W. H. Vann, Elks Lodge.

The committee decided first to concentrate on obtaining home sites in Pahokee and later in Canal Point with the understanding that these sites will be available to veterans of either community. Several home site locations were discussed and the committee will start negotiations immediately for

securing the tract that was decided at the meeting to be the most desirable. W. A. Keen, streets commissioner, outlined the services the city would be able to furnish the new veterans homes.

It was announced that 50 local veterans have applied to the committee for assistance in obtaining lots and homes in this area and it is thought that at least that many more applications will be received as soon as the purpose of the Veterans Lots and Homes Committee becomes more widely known. Applications will be received by any member of the committee.

Jack Bell Is Speaker Rotary Ladies' Night

The Miami Herald's Town Crier, Jack Bell, was guest speaker last night at the annual Ladies' Night program of the Pahokee Rotary club. The program drew the largest crowd of Pahokee Rotarians and, their wives ever to attend such an affair. Paul Rardin acted as master of ceremonies and introduced the guests and Rotary Annes.

Mr. Bell told many of his experiences as a War Correspondent in the European theatre and held the undivided attention of every person present for more than an hour. The applause he received at the close of his talk and the many kind remarks made to him personally, were proof positive that his talk was thoroughly enjoyed.

Mrs. Jess Elliott, wife of the president of the Pahokee Lions club, Mrs. Homer Clause and Mrs. Ed Cushman each received a pair of nylon hose during the course of the entertainment. Individual boxes of soap were given the Rotary Annes as favors.

Long Distance
Lines Are
Busier Than Ever

More people are making more long distance telephone calls than ever, and you may experience delays on some of your calls.

We are doing everything possible to expand facilities. This year thousands of miles of new long distance circuits are being added—additional long distance switchboards are being installed in many places and hundreds of young women are being employed and trained as operators to help meet the increasing demand for more long distance service.

It's a big job and will take time. Until the job is done we will continue to need your help when circuits are over-loaded by using the service only for necessary calls. Your continued cooperation is appreciated.

Life On The Campus

AT PAHOKEE HIGH SCHOOL

A NOTE OF THANKS!

Members of the Junior Class of Pahokee High extend their thanks and appreciation to everyone who helped put over such a successful banquet. Various people and organizations helped in some way to promote the banquet—to these we extend our many thanks.

It happened Friday March 15—the biggest event of Juniors and Seniors in their years of school. The Junior Senior Banquet was the talk of the campus. The banquet was complete in every detail. Good entertainment, delicious food, beautiful decorations, and most important, a swell orchestra. Every Junior and Senior that at-

tended, thought it very worthwhile the trouble of preparing for it. The program started off as follows: Bill Elam (Junior) introduced Harry Fremd, (President of the Junior Class) who welcomed the Seniors to the banquet. Basil Todd, (President of the Senior Class) made a speech on behalf of the class as provided entertainment for the seniors in appreciation of such an occasion. Various members of the Senior Class sang a popular song, and did impersonations; Joan McLarty, a sophomore, sang a semi-classical number; Vivian Combs, a Junior sang a popular song. Various guests were introduced by Bill Elam. A dance followed the banquet which was enjoyed. The Seniors of 1945-46 wish to thank each sponsor, and each and every one of the Junior Class for a wonderful banquet.

You have heard of the Bells of St. Marys, but the other day we, the students of Pahokee High heard bells, but not of St. Marys, they were wedding bells for Mrs. Nason, home economic teacher. Mrs. Nason was married to Frank Friend of Pahokee last Wednesday Night.

BUSINESS WOMAN CIRCLE

Twenty-six members and friends of the Pahokee Baptist Business Women's Circle met on Tuesday at the home of Mrs. L. W. Connell for their semi-monthly program meeting. A most impressive candle-light service depicting the theme "Home Missions" was presented under the direction of Mrs. W. M. Dubose. Mrs. J. C. Moch, W. M. U. President was highly appreciative of the manner in which the program was rendered. The atmosphere of hospitality, thanks to the genial hostess, Mrs. Connell, and the fellowship period of ice cream and cake, brought the meeting to a place of benediction long to be remembered. Mrs. Gilbert is the chairman.

Mr. and Mrs. Earl F. Bracewell of Runyon announce the birth of a son, Ronald Earl, at the Everglades Memorial Hospital on Mar. 19.

Personal

(Mrs. G. B. Ramey, Phone 2082)

Mr. and Mrs. Kenneth Cooksey of Monticello, Fla., are guests for a week of her mother, Mrs. J. S. Harrington at Fort Mayaca.

S-Sgt. T. J. Mullis, son of Mr. and Mrs. L. W. Mullis of Pahokee has arrived in New Jersey after a year of duty with the U. S. Army of Occupation in Europe. Sgt. Mullis expects to receive his discharge from the Army at Fort Bragg, N. C., sometime this week and arrive home this weekend.

Mr. and Mrs. Jack Phillips and daughter, Betty Jo, visited his parents, Mr. and Mrs. J. C. Phillips, in Wauchula over the weekend.

Mr. and Mrs. S. E. Gammage spent the weekend visiting their parents in Arcadia and Noocate.

Dr. and Mrs. L. W. Armstrong and their niece, Blanche Elizabeth Bowers, were visitors in West Palm Beach Sunday.

Mrs. Willie Bridges, West Palm Beach, visited relatives and friends in Pahokee this week.

Cpl. J. W. Wood, who is stationed at Morrison Field, spent a brief leave visiting his family in Pahokee this week.

Cpl. James Johnson was a guest Sunday of Rev. and Mrs. T. A. Ferguson and daughter, Miss Allie Ferguson, in Pahokee.

Mrs. E. E. Bishop and children and Miss Clara Mills, West Palm Beach, visited relatives and friends here Tuesday.

Mrs. L. A. Maryes and son, Robert, of St. Petersburg visited friends in Pahokee over the weekend.

Mrs. Betty McIlwain has returned from a visit with relatives in High Point, N. C.

M-Sgt. James Harry Wilkinson, Jr. is embarking at LaHarve, France, for the United States, according to word received here by his wife, Mrs. Margaret Wilkinson. Sgt. Wilkinson has been in the service 32 months and overseas with the U. S. Occupational Forces in the European Theatre for 18 months.

Edward Smith ARM 2-C, left Thursday after spending three weeks in Canal Point visiting his mother and sister. He is to report back at Quonset Point, Rhode Island. He has re-enlisted for two years.

Mr. and Mrs. J. D. Bishop of Greensboro, N. C., have been visiting his sisters, Mrs. H. P. McMillan and Mr. McMillan in Pahokee.

Visiting Mr. and Mrs. Wade Ammons are Mrs. Ammons' sister, Mrs. E. J. Holloway and Capt. Holloway of Detroit, Michigan.

Bandmaster Robert O. Lampi is rehearsing the Pahokee High School Band for a concert to be presented on the program of the Pahokee Parent-Teacher Association at the regular meeting Monday evening, April 1.

W. L. McKinney has returned to his home in McMoresville, Tenn., after a visit with his brother-in-law and sister, Mr. and Mrs. W. E. Walker, in Pahokee.

Miss Betty Jean McLarty, student at Florida State College for Women, is expected to arrive Saturday to spend the spring vacation with relatives here.

Miss Peggy Sykes, auto license tag agent for the Glades area, is convalescing following a recent operation at St. Mary's Hospital, West Palm Beach.

Mrs. Betty Taverna has moved to West Palm Beach where she has accepted a position in the office of the clerk of the circuit court.

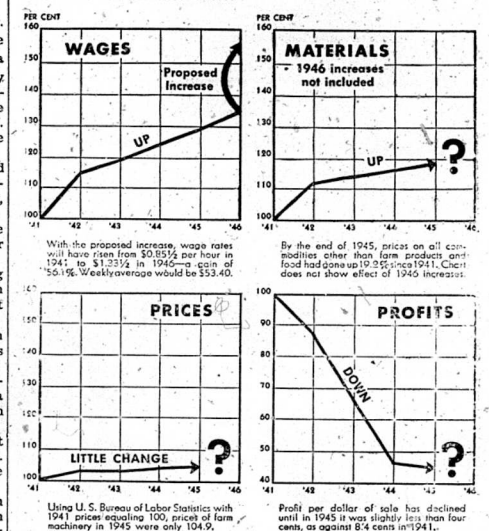

State Representative B. Elliott spent several days in Tallahassee the past week on business.

J. B. Elliott visited his son-in-law and daughter, Mr. and Mrs. G. C. McLarty, in Okeechobee the past week.

Mrs. C. A. Moberg plans to accompany Mrs. C. F. Waller of Miami on a trip to Washington, D. C. and New York City Monday.

How would you CHART YOUR COURSE?

Pictured here are the records of four "life lines" of our business—four things which largely control the destiny of any business, whether it be a farm, a factory or a store. They are, Wages, Materials Costs, Prices, and Profits. Suppose these were pictures of what is going on in your own affairs. How would you chart your future course from these facts?

What about wages?

Wages have risen steadily for five years. Before the strike which began on January 21 in ten of our plants and which has choked off nearly all farm machinery production, earnings of employees of these plants averaged \$1.15 $\frac{1}{2}$ an hour, not including any overtime. The Union demanded a 34 cents per hour increase and a Government board has now recommended a general increase of 18 cents an hour, which would make average earnings \$1.33 $\frac{1}{4}$ an hour. Weekly average would be \$53.

What about materials?

No one seems to know how high materials costs will go. The Government has increased steel prices as much as \$12.00 a ton, with an average increase for all grades of 8.2%. Steel is the most important material we buy, but prices on other materials are also increasing.

What about prices?

There has been no general increase in our prices since they were frozen by the Government in early 1942. Since then a few small increases have been allowed where particular machines were substantially changed in design.

What about profits?

Risk is part of the American profit and loss system, so we do not, of course, ask either our customers or the Government to guarantee that we can be certain of profits each year. The chart tells the story of our profits during the war. Although Harvester produced more goods than ever before, it had no desire to get rich out of war, so our rate of profit has steadily gone down. What our 1946 profit will be is extremely uncertain.

What is the next step?

As you can see, our present situation is that with frozen prices and declining profits, we are asked to pay higher materials costs and to make the biggest wage increase in the history of the Company. Can we do this?

Wages and materials consume all but a few cents of every dollar we take in. If our prices continue frozen, and cost of wages and

materials continues to rise, obviously our Company will begin to operate at a loss at some point. The exact point at which operating at a loss would start is a matter of judgment. Government agencies and union leaders may have opinions as to where that point is. But if they turn out to be wrong, they can shrug their shoulders and say: "Well, it wasn't my responsibility. I didn't make the decision."

The management of this Company cannot and will not say that. It dares not gamble. It has to be sure. Continuation of our service to millions of customers, the future jobs of thousands of employees, and the safety of the investments of 39,000 stockholders depend on our making as correct a decision as is humanly possible.

What about future prices on farm machinery?

The judgment of Harvester's management now is that we cannot safely make the huge wage increase recommended by the Government until the Government authorizes adequate increases in the prices of farm machinery to cover the resulting increased costs.

That is not a judgment that makes us happy. The Company does not want to raise prices. We prefer to lower prices, when possible, and we know our customers prefer to have us do that. We have produced at 1942 prices, and hoped we would continue to do so. We have delayed seeking general price relief in the hope that it could be avoided. Now we are convinced that it cannot be avoided any longer. The price question must be settled. Until it is settled we do not see how we can settle the wage question. Until the wage question is settled we do not see how we can resume production and begin turning out the farm machines which we know our farmer customers need.

Because of the important stake which both farmers and city dwellers have in this controversy, we are bringing these matters to your attention. Through the cross currents of today's conditions, we are trying to chart a course that is fair to our employees, to our farmer customers, and to our stockholders.

INTERNATIONAL

HARVESTER

Pahokee And Canal Point Raise Only \$1,615.13 Of \$4,250.00 Red Cross Quota

The annual Red Cross drive in Pahokee and Canal Point is lagging, according to an announcement made by Chairman Carl Moberg yesterday. To date only \$1,615.13 has been raised while the quota is \$4,250.00.

Chairman Moberg said that several plans are to be used in an effort to raise the quota. A house to house drive in Pahokee will be made in the immediate future, he said. It is possible that some of those who have already contributed will be called upon a second time.

The Pahokee-Canal Point territory quota this time is considerably smaller than in recent years. Last year and the year before that, the quota was in the neighborhood of \$6,000.00.

Sunday School Goal Is Missed By One

Missing 300 by one, the Pahokee Baptist Sunday School and Mission last Sunday enjoyed an attendance of 299, with 256 and 43, respectively. The Training Union, because of the weather that burst forth at 6:30, did not reach its anticipated attendance of 100, 78 being present. However, to make up for this a goal of 110 has been set for next Sunday. Mrs. W. M. Dubose, Acting Director, is leading in a most inspiring manner.

The special series of sermons based on "The Sermon on the Mount," will be continued this Sunday morning at the eleven o'clock hour. The pastor, Rev. C. A. Moberg, will speak on "Vain Repetitions" as found in Matt. 6:7. "The Rosary" will be the piano solo presented on the Mathushek grand piano by the pastor. The Ladies' Quartet will sing. At the evening hour of 7:30, the orchestra, choir and Class Quartet will present a special program under the leadership of Rep. Covart. The next in the series of the 18 Baptist Articles of Faith, titled "Repentance and Faith," will be the subject of the sermon preached by the pastor. The Illuminated Cross Meditation Sing will be presented.

SPECIAL MOTION PICTURE

This coming Wednesday night (March 27th) at 7:30, the motion picture "A Romance of a Century" will be shown at the First Baptist Church of Pahokee. The Southern Baptist Convention was organized in the year 1845, hence, celebrated its one hundredth anniversary last year. Taking advantage of the visual education facilities of this modern age, the filming of this story was made. The church was fortunate in securing this, and because of the heavy demand, can be shown one time only. The Canal Point Baptist plan to attend. Extra seats will be procured, that all might be seated. A most cordial invitation is extended to the public to attend. There will be no charge and no offering. This picture of much information should prove of interest to all, regardless of religious belief.

4-H Club Holds Its Regular Meeting

The 4-H club met in its regular meeting on Friday, March 15, with Linda Covart, president, presiding. Mrs. Mildred Michaud, Palm Beach county Assistant Home Demonstration Agent was present and demonstrated the handling of eggs. Hazel Altman, Linda Covart, Joann Platt and Marie Sapp also gave demonstrations. Many of the girls will give other demonstrations this week in sewing, gardening and home improvements. Carolyn Scruggs was named as reporter to take the place of Joyce McCall who has been ill since Christmas Holidays.

GAME OFFICIALS MEET

There will be a meeting of the Game and Fresh Water Fish Commission held at the Roosevelt Hotel, Jacksonville, Florida, Thursday, April 4. The primary purpose of this meeting will be to adopt fishing regulations for the 1946-47 fishing season. The Commission will be glad to have any interested person attend this meeting or to receive any suggestions which anyone may have to offer.

RECENT OPERATIONS

By Paul Rardin

Large trucks are passing through Canal Point daily loaded with sugar cane. They are on their way from the Okeelanta Growers plantation on Road 26 to Fellsmere where the cane will be processed into sugar.

To My Anonymous Correspondents: Your letters were both good. The one about water and the other about veteran candidates. It is an unwritten law that we never publish anonymous letters. However, drop by the office, give me your name and we'll publish your letter without your name. Just so I know who wrote the letter.

The new cut-off road from Pahokee to the State Farmers Market shortens the distance to the market by one mile, according to County Commissioner Paul Rardin under whose direction the road was recently built. The road has been opened to traffic and the final coat of rock will be put on within the next few days.

MODEL A FORD For Sale: New Upholstery, Top, Battery, Wiring. Good Running condition. See J. T. Platt, Canal Point.

Freak Accidents Hit Pahokee Folks

Pahokee residents were victims of freak accidents during the past week.

The jinx first hit L. J. Fraser when he misjudged a jump from a box car to the loading platform and broke a toe. Luke is now hobbling around on crutches.

Chuck Elliott, son of Mr. and Mrs. Jess Elliott, was giving a swing all it would take one evening the first of the week when the swing broke and Chuck, like the man on the flying trapeze, turned a somersault or two and landed slap-dab on his head. He suffered a concussion and was a pretty sick boy for a couple of days.

Another accident occurred the first of the week when Sunny Libhart, small daughter of Mr. and Mrs. A. C. Libhart, tumbled out on the pavement when a door swung open as the car in which she was riding was rounding a curve. Sunny got bruised up a bit but luckily the car was going slow and she was more frightened than hurt. Even at that she wasn't half as frightened as her mummy was.

Mrs. G. M. Pool has resigned her position as cashier at Kahn's Department Store. Mrs. Pool was with Kahn's for six years and before that she was proprietor of her own store for several years. Mrs. J. D. Agner has been hired by Kahn's to replace her as cashier.

LOTTIE MOON CIRCLE

A mission study on "The Tithes is the Lord's" was presented by Miss Elizabeth Caraway at a meeting at the Lottie Moon Circle at the home of Mrs. Stella Mullis Monday afternoon. She was assisted by Mrs. E. E. Coleman, Mrs. W. A. Stevens, Mrs. L. M. Mullis and Mrs. Stella Mullis. It was announced that a WMU business meeting

will be held at the church next Monday afternoon. Refreshments were served during the social hour by the hostess.

Mr. and Mrs. Stanley Elsmore have returned to their home in Maryland after spending several months in Pahokee where Mr. Elsmore has been buying winter vegetables for northern markets.

I. E. Hamilton of Belle Glade, who has been acting as "trouble shooter" for the FEC railway in the Glades area for the past several years, is now employed as station agent at the Pahokee-Canal Point FEC depot.

Mr. and Mrs. Paul Sasser, Wauchoula, visited relatives and friends in Pahokee this week.
